MARITL.

Bark-eyed Mabel, peerless Mabel.

Hark-eyed Mahel, perries Mahel.
Come with me on a more
Lome with me, cazelle-syed manden.
To the bright sea whore.
While I whipper how I have these
Better than the loaven above me.
And the shells.
Whose musics will:
From their carmine-timed calls,
Listening to the coming sweet.
Of thy white mannadded feet,
Case their song and wait for thee
On the marrie at the sea.

Dark-eyed Mabel, queenly Mab I, Now we seem to sland Where the rippling starfl wavelets Lave the golden sawd;

h! how like a Peri bright

LOUISVILLE, June 21, 1858.

Messus. Engross: In answer to the many inquistries as to why I have accomplashed this rash act, I have only to easy that I am tired of living. Believing that the river of Eternal Life flows in a better and purer hand, and its inhabitants are of a race particular from the dross that centributes no small portion to the organization of man, I throw myself unlidden upon its aboves, and to experience, if hy are well of code, thus transformation, and do humbily pray that it may be my lot to enjoy the sweet existing of eternal life through the intercession of the life deemer, Jesus Christ.

A. IRWIN LAMPTON.

The Coroner held an inquest on his body, of

whach be has farnished the report:

Increase No. 32—Held at the United States Ho el, corner of Feurth and Jefferson streets, on the 28d instant, on the body of A. Irwin Lumpton, about 27, years of age, found dead in his room at said ho tel. The virilet of the jury was that the said A. Irwin Lumpton came to his death from violence by a putol shot in his own hands on the morning of the 23d inst., at the place above named.

J. M. BI CHANAN, Coroner.

The Chancellor.—In is the seasure; has just a name of the seasure; has just a name of the post of the post

woney. There is about the acting a quiet, lady-like dignity and firsteed beauty and gracefuloses that cannot fail to attract the admiration of an intelligent and discriminating autie ce. She is decidedly a superior and necomplished artiste. None have seen her who are not been superior and necomplished artiste. None have seen her who are not been superior and processes that two of the amount of the formal discrimination of the formal discrimination

one which involves the least expenditure.

The following explanation will give the reader an idea of the building when completed:

It is proposed to meet the present thread Court room, on the adding when court of the next below in the court of a jury room. THEI. FEMALE COLLEGE,-The commencement of this young but highly prosperous institution, at Hopkinaville, under the charge of President J. W. Rust, took place on the 9th inst. The school is but one year old, and already numbers one hundred and fifty pupils. It is fast reaching the first rank among the female schools of the Southwest. Among the exercises of the commencement was a representation of the National Galaxy by the young ladies of the college, an account of which we copy from the Hopkinsville Mercury. That paper says:

The most striking portion of the evening sentertulnment was the representation of the States of the confederacy, presenting their offerings to the Gollins of the Lion. In the contre of the platform was reared a bountful eventual to the contre of the platform was reared a bountful eventual to the contre of the platform was reared about the eventual to the light of the American confederacy. The Genlus of the Uniton of the American confederacy. The Genlus of the Lindon was represented by Miss Mary Ann Leavell of this place. She seemed the impersonation not only of the America of Patriotism but the very spirit of female lovelines, queenly dignity, and eitherial bounty. "Her overpowering presence made you feel It a ould not be Idolatry to kneel."

Frankfort, Tyune 23.

During last week a strange woman made her appearance in town, and, by her address, ingratisted herself in the confidence of the family of one of our German citizens, where there was a daughter of between 14 and 15 years of age. The woman and the daughter of the family have mysteriously disappeared from town, and no trace can be found of their whereatouts. The probability is that the strange woman is a traveling hag of some brothel, and that the young girl has become her victim.

At 4 o'clock this afternoon a fire broke out at the
Inmber yard of Messes Bulleck & Many, on Water
and Orange street. Deing to the high wind the
tames spread rapidly along the piles of lumber and
extended to the adjoining lumber yard, Treadwell's
fur factory, Luther's extensive coal yard, and the
freight depot of the Central railroad. The efforts
of the firemen are directed toward saving the latter,
but the beat is so inlense as to render it almost impossible, and it is greatly feared that the exertions
to prevent the fire spreading still further will be fatile. Up to the present time, property valued at
\$50,000 has been destroyed, and the fire is still
raging.
